The Clique is a series of young adult novels by Lisi Harrison. The series follows the lives of four friends: Claire Lyons, Massie Block, Alicia Rivera, and Kristen Gregory. The books have been praised for their humor, fashion, and relatability.

Boys 'Us: The Clique 11

Boys 'Us is the eleventh book in the Clique series. In this book, the four friends are now in their senior year of high school. They are all excited about the future, but they are also facing some challenges.

Claire is struggling with her relationship with Josh. Massie is trying to find her place in the world. Alicia is dealing with her parents' divorce. And Kristen is trying to figure out what she wants to do with her life.

Review

Boys 'Us is a well-written and enjoyable book. The characters are relatable and the story is engaging. Harrison does a great job of capturing the ups and downs of teenage life.

One of the things I liked most about the book is that it deals with some real-world issues. Claire's relationship with Josh is not always easy. Massie struggles to find her place in the world. Alicia deals with her parents' divorce. And Kristen tries to figure out what she wants to do with her life.

These are all issues that teenagers face in real life. It is refreshing to see a book that deals with these issues in a realistic and honest way.

Overall

Boys 'Us is a great book for teenagers. It is well-written, engaging, and relatable. I highly recommend it.

About the Author

Lisi Harrison is the author of the Clique series. She has also written several other young adult novels, including The Alphas and The Pretenders.

Harrison was born in New York City and grew up in Connecticut. She attended the University of Pennsylvania and worked in advertising before becoming a writer.

Harrison is married and has two children. She lives in New York City.
