Our flagship program is our Joy Boxes. Each Joy Box contains a variety of toys, games, books, and other items that are carefully selected to bring joy to children who are facing challenges such as illness, poverty, or natural disasters.

In addition to our Joy Boxes, we also offer a variety of other programs and services, including:

- Joyful Journeys: This program provides financial assistance to families who need help paying for medical expenses, travel expenses, or other costs associated with their child's illness.
- Joyful Experiences: This program provides opportunities for children and families to experience joy-filled moments, such as attending a sporting event, going to the movies, or taking a vacation.
- Joyful Connections: This program provides opportunities for children and families to connect with others who are facing similar challenges.

We are committed to bringing joy to as many children and families as possible. With your support, we can continue to make a difference in the lives of children around the world.

Our History

Joy For The Journey was founded in 1980 by a group of volunteers who wanted to provide a little joy to children in need. Our first Joy Box was delivered to a young boy who was battling leukemia. The boy's joy at receiving the Joy Box inspired us to continue our work.

Over the years, we have grown from a small organization to a global organization. We now have offices in the United States, Canada, and the United Kingdom. We have also partnered with organizations in more than 100 countries around the world.

We are proud of our history of bringing joy to children and families. We are committed to continuing our work for many years to come.

Our Future

We have a number of ambitious goals for the future, including:

- Distributing 1 million Joy Boxes each year by 2025.
- Providing \$25 million in financial assistance to families each year by 2030.
- Creating 100 new Joyful Experiences programs each year by 2035.
