Step 1: Choose Your Song

The first step is to choose the song you want to create a lyric video for. Will Survive Children Picture Lyricpop has a library of popular children's songs to choose from, or you can upload your own song file. Once you've chosen your song, click on the "Create Lyric Video" button.

Step 2: Add Your Pictures

Next, you'll need to add pictures to your lyric video. You can use your own photos, or you can search for free images online. To add a picture, simply click on the "Add Picture" button and select the picture you want to use. You can also drag and drop pictures into the editor.

Step 3: Customize Your Video

Once you've added your pictures, you can customize your video by adding text, changing the colors, and adding effects. To add text, simply click on the "Add Text" button and type in the text you want to add. You can also change the font, size, and color of the text. To change the colors of your video, simply click on the "Colors" tab and select the colors you want to use. To add effects, simply click on the "Effects" tab and select the effects you want to add.

Step 4: Preview Your Video

Once you're happy with your video, click on the "Preview" button to see how it looks. You can also share your video with others by clicking on the "Share" button.

Step 5: Download Your Video

Once you're ready to download your video, click on the "Download" button. You can choose to download your video in a variety of formats, including MP4, MOV, and AVI.
